Description

Tosom is a standing invitation to cuddle up alone, or with a close friend or a child in your arms! This XL-chair is especially designed for informal seating positions, with plenty of space for curling your feet up. The chair answers humans' needs for taking a step back, into a safe warm corner – away from our hectic daily-life. The design is based on traditional construction- and production methods, but with a modern look.

Construction

A light and durable frame construction made from pine, plywood and masonite. Seat frame made from solid european pine. Frame is padded with Eco-tex labeled cold cured foam. A 40 kg. fire retardant quality made in EU. Seat cushion also made from 40 kg. cold cured foam. Tosom are upholstered with top quality fabrics from high end brands, and also available in leather. A large button makes a distinct statement. Legs available in satin powder coated steel.
